Krishna to Demonstrate Yoga Science

Bala Krishna, of Kerala, India, will give a free demonstration of the ancient science of Hatha (physical) yoga at the Torrance YWCA, 2320 W. Carson St., Torrance, on Thursday, April 27, at 8 p.m. Mr. Krishna will demonstrate posture and breathing exercises. There will be a five day course offered to those interested in learning this interesting and beneficial art.

Mr. Krishna recently returned from a tour of Europe and Russia where he gave demonstrations of Yoga. Among those who practice Yoga exercises are Prime Minister Jawaharlal Nehru of India, violinist Yehudi Menuhin, David Ben Gurion, former prime minister of Israel, he said.

Yoga is neither a religion or mysticism, but a discipline in the art of uniting together elements that too often are scattered, Mr. Krishna pointed out.

The exercises clarify the relationship between the body and soul and stabilize all forms of energy, he said. Mr. Krishna will demonstrate exercises for beginners that give flexibility to the body, release nervous tension and relax tired muscles.

Mrs. Ruth Clutter, president of the Torrance YWCA, will introduce the program. This program has been recently held at the Recreation department in Ventura and the YMCA in Oxnard.
